

AITON

We've dressed up this simple column stool with the highest-quality materials and top-notch techniques. The main section of our Aiton features a subtle faux bois etching and our popular Zinc finish; it rests upon a slightly indented brass base, giving dimension to the silhouette. The stool's top has a perforated texture for added hand feel.

MATERIAL

Metal

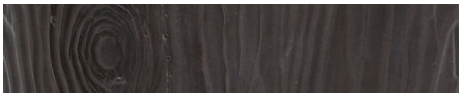

DIMENSIONS

14"Dia x 18"H

This item is handcrafted and may show slight variation in size from one piece to another.
