

## JAYNE

The Jayne's subtle hourglass shape complements the flowing lines of its ceramic foundation, which resembles clay on a potter's wheel or toffee being stretched. The textured ridges add softness to the stool or side table's hard material. A ring of gold at its base is a sophisticated detail.

### **MATERIAL**

Ceramic

### **DIMENSIONS**

14" Dia x 17"H

*This item is handcrafted and may show slight variation in size from one piece to another.*

### **FINISHES**

Black/Gold

White/Gold
