

JONAS COFFEE TABLE

The contemporary crisscrossed rectangles of the Jonas are covered entirely in high-quality tobacco leather, giving a tailored look to the graphic base. The silhouette's openness creates an airy feel; the way it tapers adds a sleek sophistication. The coffee table and the side table come in two hues of full-grain leather, while the interchangeable accent side table provides various tabletop options to choose from to make it your own. Natural variations in this material may occur. Slight differences in color and texture are characteristics of this collection's aged full-grain leather. This durable, high quality leather may show inherent markings, distressed appearance, and variations in pattern.
