

KEISUKE CONSOLE

The sculptural base of the Keisuke brings to mind the art of M.C. Escher or the work of architectural great Frank Gehry. While obvious in its angularity, this abstract table is also quite graceful, and its mechanized look has an airy quality. A glass tabletop complements the textured metal's openness.

MATERIAL

Iron

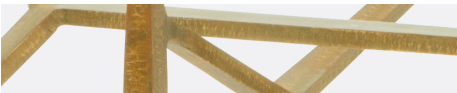

DIMENSIONS

48" L x 18" W x 30" H

This item is handcrafted and may show slight variation in size from one piece to another.

FINISH

Aged Brass
