

PIA LARGE CHANDELIER

Natural materials bring an organic vibe to the opulent silhouettes of this tiered chandelier, available in two styles: a ceiling version and a cascading shape. The Pia boasts hundreds of wood beads in 10 varying sizes, tapering on the cascading strands, and growing larger from the top of each tier down. Evoking the feeling of sophisticated macramé and chic fringe, the raw beads paired with the piece's gold or silver base makes for a fun and unexpectedly glamorous play on materials.
