

RENZO

A classic Japanese stool with modern updates. The Renzo is made from teak, making it a versatile indoor piece, with a thin, slightly curved seat. The A-frame legs are also thin with a delicate support bar. Finished with a medium-gray stain that highlights the grain beautifully.

MATERIAL

Driftwood

DIMENSIONS

18"W x 10"D x 19"H

This item is handcrafted and may show slight variation in size from one piece to another.

FINISH

Charcoal
