

This Coastal-style glass table lamp with rope accents is from the Trisha Yearwood Home Collection. It's part of the Outer Banks Series. [www.imaxcorp.com](http://www.imaxcorp.com)

White wood beads are strung on wires to create the macramé-inspired frame on Made Goods' Jena mirror. The 45-inch-diameter mirror is also available with a bronze finish. [www.madegoods.com](http://www.madegoods.com)

Artist Suzanne Nicoll's "Nantucket Whale" for Red Horse is printed directly on a distressed wood panel that has knots and other natural markings. The result is a sign that looks like a vintage hand-painted original; no two are alike. [www.redhorsevintage.com](http://www.redhorsevintage.com)

Part of Surya's new Natural Affinity Collection by watercolor artist Shell Rummel, this rug's organic pattern is colored with a mix of both cool and warm hues. It's tufted by hand from 100 percent wool in India. [www.surya.com](http://www.surya.com)
