A GUIDE TO CARE FOR Iron (Indoor Use)

MAINTAINING YOUR FURNITURE

Dust with a soft, dry cloth or an unused, soft-bristled paintbrush; or use compressed air to blow dust away and out of edges. Furniture polish can be used to provide a protective coating to repel water and resist dust.

SPOT CLEANING

Wipe spills or dirt first with a dry, soft, cotton cloth; then wipe with a clean cloth sprayed with furniture polish.

KEEP IN MIND...

Do not clean with harsh chemicals or abrasive cleaners, as they may damage the finish. Water is not recommended for cleaning. If water collects in crevices, rusting can occur. Take care to avoid scratching as this will affect finish over time.

WARRANTY INFORMATION

We offer limited product warranty depending on the type of product purchased.

Indoor Product Warranty

Ardmore Home Design (DBA Made Goods) warrants its product to be free from manufacturing defects to the original purchaser for one (1) year time from invoice date. Proper maintenance, including routine cleaning, replacement of worn glides, and removal of products in high winds or severe climates (heat or cold) is the sole responsibility of the owner and is required to keep this warranty.

The warranty does not apply to damage resulting from improper maintenance, misuse, negligence, normal wear, abuse, accident, alteration or tampering. Accessories, cushions, fabrics, pillows, COM fabrics, glass and metal are not covered by this warranty. Repair or modification by anyone other than Made Goods or an approved agent, voids the warranty. Made Goods makes no additional warranty, either expressed or implied, written or oral, regarding any warranty of merchantability, title, or fitness for a particular purpose. Additional exceptions may apply.
