## JADA FREESTANDING VANITY

Bold and gorgeously graphic, the same opulent materials and finishes you know and love have traveled over to our new collection of Jada freestanding vanities. Hand-lain panels of banana bark create a naturally striking finish, with a concentric starburst pattern evoking eclectic artistry. Each drawer comes with a lily pad-like knob and an assortment of countertop materials to choose from—like chic pewter burl resin. Split leaf hardware provides the finishing touch.
