

BRANDO CHANDELIER

CHABRANDO308BZ
MG000079

BRANDO, 30"Dx8"H, Antique Bronze, Glass/Metal.

A thick, antiqued bronze base supports the blown glass tubes of our Brando. The organically shaped glass has a slight blue hue; paired with the deep brown of the wagon-wheel like foundation, this chandelier has a beachy, vintage vibe. A piece with exquisite dimension that gives off a soft, natural light.
