

COHEN

The Cohen marries plantation-style material with an informally elegant nautical look. Seagrass, which grows near coastal waters, is the perfect element to be woven into the mirror's rope-like frame, creating an organic pairing of ocean fiber with maritime-inspired design. The thick profile, and its extremely dimensional curve, adds an element of drama.

TYPE OF HARDWARE

D Ring

Our mirrors are designed to be hung by a professional, usually by wire. Actual hanging specifics vary on a case by case basis and depend on several variables, including the mirror weight and wall type. Incorrect hanging can result in damage to the mirror or the wall. Made Goods is not responsible for damage due to incorrect hanging of our pieces.
