ESSERY, Desk, French Gray, 64"Lx30"Wx31"H, Faux Raffia.

Delicate and dimensional, the Essery is a mastery of technique. Textured faux raffia is hand applied to the fabric-like flow on the front profile. Finished with custom designed hardware and all the "standard" quality you expect from Made Goods furniture (wood drawers, soft close glides, finished back so piece can float, etc.) the Essery is perfection!
