

FAWN CHANDELIER

CHAFAWN3628WH
MG000104

FAWN, 36"Dx28"H, White Gesso, Concrete.

Strikingly modern or incredibly organic? The unique design of our white gesso Fawn can go either way. A chiseled finish inspired by 1960s metalwork creates a strong, angular aesthetic; the branch-like arms of the candelabra-shaped fixture evoke a natural vibe. This stark-but-soft chandelier gives off wonderful light in every environment. Concrete material naturally distresses. Minor cracks and imperfections are to be expected.
