# HENDRICK CHAISE LOUNGE

In designing a perfect chaise, several elements needed to be considered. When being used, the Hendrick is easy to adjust, includes low arm rests and a plush cushion for comfort. Aesthetically, the textures, weaving, colors and forms blend together to create a chaise that enhances the design of an outdoor space. A kiln-dried teak or aluminum frame and weaving made from marine-grade cording lets you know it will last. When combined, the Hendrick will elevate your expectations of what a chaise can be! Cushion comes upholstered in our base fabric, Alsek White.

**SUITABLE FOR FREEZING TEMPERATURES**
