HOWE STOOL

The cement Howe is a thoughtful combination of elements—man-made material with an organic, tree trunk-like shape. The stool's curvy silhouette softens the look of its raw, rustic finish. Can be used indoors or outdoors.

MATERIAL

Reinforced Concrete*

DIMENSIONS

17"W x 17"D x 19"H

WEIGHT

50 lbs

This item is handcrafted and may show slight variation in size from one piece to another.

**Reinforced Concrete material naturally distresses. Minor cracks and imperfections are to be expected.*
