ISLA, Desk, Sage, 60"Lx30"Wx31"H, Peeled Rattan.

A tightly wrapped, natural peeled rattan frame, with slender legs reinforced by a box stretcher, supports an expansive, densely woven basket weave top. A piece of glass protects the material against the spills and stains of daily life. Soft-close front drawers with flower-patterned gold knobs, finished with a dark gray stained wood interior, offer storage for office necessities.
