LIAM BAR TABLE

Our Liam outdoor bar table is made from durable concrete. Along with a smooth top surface, each side reveals a faux bois pattern, which can be highlighted by applying wax and oil. Concrete material naturally distresses. Minor cracks and imperfections are to be expected.

SUITABLE FOR FREEZING TEMPERATURES

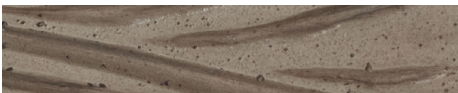

MATERIAL
Reinforced Concrete*

DIMENSIONS
54"L x 24"W x 42"H

LEG CLEARANCE
40.25"
