

LISE

The trophy-like shape of the acrylic Lise's base is modernized by the material's transparency. Decorative ornaments frame the lamp's focal point: a natural agate slice contained in a clear panel, which looks as though it's floating just below the piece's drum shade. Natural variation in agate to be expected.

MATERIAL

Hand Blown Glass*

DIMENSIONS

Overall: 15"L x 9"W x 29"H

Lamp Base: 7"L x 5"W

Lamp Shade: 15"L x 9"W 10"H
