

MARLOW

The flower-inspired shape of the Marlow is given added dimension with multi-hued spokes of metal and/or bone. The hammered brass and silver accents are given extra texture—they're etched with a repeating pattern; just one more well-designed detail that makes this mirror an instant Made Goods classic.

Our mirrors are designed to be hung by a professional, usually by wire. Actual hanging specifics vary on a case by case basis and depend on several variables, including the mirror weight and wall type. Incorrect hanging can result in damage to the mirror or the wall. Made Goods is not responsible for damage due to incorrect hanging of our pieces.
