## LOMAN

FURLOMANSTOL  
MG027219

LOMAN, #DNR#, Stool, Olive, 14"Dx18"H, Ceramic.

We search the globe for the best quality, weather-resistant materials the world has to offer. Each piece is handmade, never mass-produced, and built to withstand varied elements and temperatures.

Our natural clay Loman takes on a popart feel, thanks to the raised pattern on its exterior surface. The graphic '60s-inspired design and contrast-glazed top give the stool's simple cylindrical shape some wonderfully winsome character.
